Two Swimming Pools

Worth Ranch has two modern swimming pools - the large main pool and a smaller pool with a volleyball net and basketball goals.

New Showers, Latrines, and Tents

We have 100 new tents for Worth Ranch. The new tents will have permanent tent frames. The latrine bathrooms in every campsite are now completely rebuilt with individual stalls and modern toilet risers, as well as a new pair of shower stalls. The old youth showers in the campsites by the river (the Bottoms) have been being rebuilt with modern individual stalls.

NEW Adult Showers for 2013: The old adult showers in the main upper camp will be replaced with a new facility with individual private bathroom and shower stalls.

The Worth Ranch Chuck Wagon

Learn dutch oven cooking at the Worth Ranch Chuck Wagon. The chuck wagon was developed near Worth Ranch in 1866 by Charles Goodnight as he and partner Oliver Loving prepared to take a herd of 2,000 Longhorn cattle from northern Texas to Denver, CO. Goodnight purchased a government wagon and completely rebuilt it with the famous sloping cook box on the back.

Worth Ranch Volunteers

Each summer a corps of volunteer commissioners assist the Camp Director and the Scoutmasters to ensure that each troop has a successful summer camp. Scouters with special expertise can also volunteer to teach special merit badge classes. To volunteer as a Worth Ranch Camp Commissioner or to teach a special merit badge, contact Camp Director Tom Lucas at thomaslucas@sbcglobal.net or campdirector@worthranch.com.
