Dear Unit Leader:

Each year in February the Scouting organization celebrates its anniversary. 2010 is the 100th Anniversary of the Boy Scouts of America, an occasion to be commemorated by everyone involved in the Scouting program either on the Council level, District level, or Unit level. We would especially like your unit to participate. We feel it will be a good unit program and an excellent public relations opportunity.

*Recognition will be awarded to all Cub packs, Scout troops, Varsity teams, Venture crews, and Explorer posts that participate. A ribbon will be presented to each unit that participates in a **Scouting for Food service project** and one or more other activities for Anniversary Month.*

I: Ideas for Anniversary Month Activities:
