

Rocket Academy 2011 – 2012

3... 2...1... BLAST OFF!!!

The camp Dining Hall will be transformed into the Rocket Building Hangar, as parents and Cub Scouts come together to design their very own Rocket. It's a family campout with Estes model rockets, water rockets, chemical rockets, and more! You get to assemble, paint, place rocket ship decals, and then in the afternoon launch your very own personal Estes rocket and take it home to keep.

Cub Scout Rocket Academy Planning Guide

And Cub Scout Family Adventure Planning Guide

The most important part of any camping outing is the planning. Please take a few minutes to read the following paragraphs. Directions to camps and campsite maps are available at www.longhorncouncil.org

If your Pack is arriving Friday Night: Please proceed to your assigned campsite and set up camp. There is no check-in on Friday night. Check-in begins Saturday morning at 8 am.

Campsites: Please stick to your Pack's assigned campsite so that late arriving members of your Pack can find you. Put as much equipment as you can into one or more vehicles. After you unload and set up camp, please **move all vehicles to one of the parking areas**. Part of the fun is camping in the woods, not in a parking lot. **Absolutely NO parking on roads or in the campsites**. Please bring a few trash bags with you - you must pack out all of your trash with you on Sunday. Our latrines and showers are not furnished with toilet paper, paper towels, or soap so please bring your own.

Speed Limits: Please obey the speed limit signs throughout camp. Speed Limit on the main SR2 road is 25 mph. Please go slow in the dust following a caravan. Speed limit in the main SR2 camp and program areas and at Camp Tahuaya is 10 mph. Watch for livestock, scouts, and other cars. **NO ONE is allowed to ride in the back of Pick-up trucks**. Everyone in every vehicle must have a seatbelt on.

Parking: Parking at SR2 is available in the Parking lots by the main flagpole, by the main camp intersection, and in the lot past the Health Lodge. **DO NOT PARK IN CAMPSITES** at Camp Tahuaya or at SR2. Anyone with limited mobility may be dropped off at the Dining Hall. **ONLY** Handicapped vehicles are allowed to park near the Dining Hall and move through the area during the day.

1. Parking if you **ARE** camping: Unload vehicles at your campsite and return vehicles to the parking areas. Trailers may be dropped off in campsites.
2. Parking if you are **NOT** camping: Unload vehicles at parking area. **NO** parking on roads without permission from the Ranger.

Check-In: Check-in begins at 8:00 am. Please send one adult from your Pack to the dining hall with a complete roster of all the youth and adults that are with you. We will be able to accept final fees for each unit at that time. This adult will also pick up the Pack's wristbands (required for activities, safety, and meals), patches, and t-shirts.

Activities: The activities begin at 10:00 a.m. and close at 4:30 PM. The main activities are listed on the front page of this flyer. There will be some not listed. *Note: Activities are slightly different depending on which camp and event you attend. Choose activities that interest you and are not crowded and rotate through them all. Your pack is free to go to whichever activity they choose - there is no set rotation.

Lunch: Lunch is served from 11:30 a.m. - 1:00 PM and is open seating. Lunch is a light meal. Activities will be closed

down from Noon-1:00 pm so our hard working volunteers can enjoy lunch.

Supper: Supper is served from 5-6:30 pm and is open seating. Supper is a larger meal.

Campfire: There is a campfire on Saturday night at the council ring. Packs or Dens will be given the chance to perform a skit, song, or story. All performances must be approved by the camp director *prior* to campfire. We will meet at 8pm to go as a group up to the council ring.

Sunday Breakfast: Breakfast is from 8:00-9:00 a.m. and is a Continental breakfast. Breakfast is open seating.

Chapel: Remember that a Scout is reverent and respects the rights of others to their religious beliefs. Chapel is a nondenominational service at 9:00 a.m.

Clean em' up and move em' out: Chapel is over around 9:45 a.m. Time to head home! Everyone should police each campsite before leaving. Remember that a scout is clean and always leaves a campsite cleaner than when they found it. Trash must be packed out. Camp closes at 11:30, if you plan to stay longer, you must clear this with the staff and the Ranger. Staff will be packing equipment and not able to provide any supervision.

Rules to help you plan:

1. If a scout and an adult are sharing one tent, then the adult must be a parent or guardian of the boy. Adults sharing tents with youth is discouraged.
2. **NO ONE IS ALLOWED TO RIDE IN THE BACK OF A PICKUP TRUCK.** You must have seatbelts for each person in a vehicle.
3. The **MAXIMUM** speed in camp is about 10 miles per hour. If there are youth around then vehicles must drive **NO** faster than walking pace (about 3 MPH).
4. Instructors on the BB and Archery range have a heavy responsibility for your child's safety. They can and will ask anyone that is not serious to leave the area. Please help them to keep the ranges safe.
5. Please report all major accidents to the Camp office.
6. Bring a poncho, raincoat, or other rain gear with you. The show will go on rain or shine. Rainy weather is a great time for families to spend quality time together at their campsite or in their tent, too.
7. Remember that we are here for the boys and that we must let them have fun.
8. No Pets. No alcoholic Beverages. No fireworks.

Questions? Email camping@longhorn.org.
