The Cub Scout Orienteering Event at Sid Richardson Scout Ranch

Cub-O is an orienteering event designed for everyone to enjoy: dens that compete hard, dens that want an easy hike in the woods, and dens that want to teach their boys more about problem solving and map reading. All Tigers, Cub Scouts, Webelos, leaders, and parents are invited. Separate awards for each age group. CUB-O is the largest Orienteering event in the USA! Over 1000 Cub Scouts, leaders, and parents participated in CUB-O every year since 1999!

It's fast, exciting, and FUN. And it's all Cub Scouts. The locations of 40-50 orange and white orienteering flags are marked on the map and you and your team will go hiking in the woods to find them – or most of them! Each flag has a hole punch that you use to mark your scorecard. Flags are worth 5, 10, 15, 20, or 30 points, depending on how hard they are to find. Your Den team will get a Cub-O competition map 30 minutes before the race starts. Then you plan a hiking strategy to find the most flags and score the most points in just 2 hours! You'll stay warm 'cause you'll stay moving!

Cub-O is a team event for teams (Dens) of 3-6 Cub Scouts and at least two adults. **Each team must have at least two adults**

registered for Cub-O. Other adults may go along to help, but you can only get a map, patch and lunch by registering. Bring a compass and a watch so you'll finish on time.

Be sure to dress warmly and bring lots of water! Wear lots of layers and drink plenty of water to stay warm. All registered participants will get a Cub-O patch, our latest 5-color Orienteering map, and lunch. **Additional adults can pay \$5 for lunch and liability insurance only and must be prepaid.** Cub-O T-shirts are \$10.00 and may be pre-ordered. Registrations must be received by 5:00 PM Tuesday, January 4th to be on time.

This is a rain or shine event. Information on postponements for ice/snow will be posted immediately at:
