Fall Festival and Haunted Hayride Planning Guide

The most important part of any camping outing is the planning. Please take a few minutes to read the following paragraphs. Directions to camps and campsite maps are available at www.longhorncouncil.org

Check-In: Located at the HQ building and begins at 10 a.m. Please send one adult with a complete roster of all the youth and adults that are with you (the roster is used in case of an emergency). We will be able to accept final fees for each unit at that time. This adult will also pick up the Pack's event wristbands (required for activities, safety, hayride, and meals), and patches.

Speed Limits: Please obey the speed limit signs throughout camp. Speed Limit on the main SR2 road is 25 mph. Please go slow in the dust following a caravan. Speed limit in the main SR2 camp and program areas and at Camp Tahuaya is 10 mph. Watch for livestock, scouts, and other cars. *NO ONE is allowed to ride in the back of Pick-up trucks.* Everyone in every vehicle must have a seatbelt on.

Campsites: Please stick to your Pack's assigned campsite so that late arriving members of your Pack can find you. Put as much equipment as you can into one or more vehicles. After you unload and set up camp, please **move all vehicles to one of the parking areas**. Part of the fun is camping in the woods, not in a parking lot. **Absolutely NO parking on roads or in the campsites.** Please bring a few trash bags with you—you must pack out all of your trash with you on Sunday. Our latrines and showers are not furnished with toilet paper, paper towels, or soap so please bring your own.

Parking: Parking at SR2 is available at the Day Parking lot by the main flagpole and in the lot past the Health Lodge. Anyone with limited mobility may be dropped off at the Dining Hall. **ONLY** Handicapped vehicles are allowed to park near the Dining Hall and move through the area during the day.

1. Parking if you ARE camping: Unload vehicles at your campsite and return them to the parking area.
2. Parking if you are NOT camping: Unload vehicles at parking area. NO parking on roads without permission from the Ranger.

Rules to help you plan:

1. If a scout and an adult are sharing one tent, then the adult must be a parent or guardian of the boy. Adults sharing tents with youth is discouraged.
2. **NO ONE IS TO RIDE IN THE BACK OF A PICKUP.** You must have seatbelts for each person in the vehicle.
3. The **MAXIMUM** speed in camp is 25 miles per hour, 10 MPH in the camp and program areas. If there are youth on the road then one must drive **NO** faster than walking pace (about 3 MPH).
4. Instructors on the BB and Archery range have a heavy responsibility for your child's safety. They can and will ask anyone that is not serious to leave the area. Please help them to keep the ranges safe.
5. Please report all major accidents to the Camp office.
6. Bring a poncho, raincoat, or other rain gear with you. The show will go on rain or shine.
7. Remember that we are here for the boys and that we must let them have fun.

Activities: The activities begin at 1:00 PM and continue till 4:30 PM. Choose activities that interest you and are not crowded and rotate through them all. Your pack is free to go to whichever activity they choose—there is no set rotation.

Lunch: Lunch is on your own.

Supper: Supper is served from 4:45-6:45 PM. Meal times will be assigned, so please stick to your assigned meal time.

Flashlights: Absolutely no flashlights turned on during the hayride. Hayride volunteers have been blinded by flashlight beams and taken bad falls. Anyone who shines a flashlight on one of the hunted hayride volunteers during the hayride will be asked to get off the hayride and walk back. Please help keep everyone safe.

Hayride: Hayrides take about 20 minutes. There are assigned times for the hayride. Please wait for your assigned time to take your turn. Depending on the weekend, we can take 50 - 100 folks on each circuit. Please board and exit the tractors carefully but quickly at the start and finish of each hayride. Be sure to follow instructions of the tractor driver.

Sunday Breakfast: A continental breakfast snack is served from 8:00-9:00 a.m. Breakfast is open seating.

Chapel: Remember that a Scout is reverent and respects the rights of others to their religious beliefs. Chapel is a nondenominational service at 9:00 a.m.

Clean em' up and move em' out: Chapel is over around 9:45 a.m. Time to head home! Everyone should police each campsite before leaving. Remember that a scout is clean and always leaves a campsite cleaner than when they found it. Camp closes at 11:30 a.m., if you plan to stay longer, you must clear this with the staff and Ranger. Staff will be packing equipment and not able to provide any supervision.
