

This is the first installment of a series of articles by the members of the Longhorn Council Historical Society which will feature interesting topics covering the history of the Longhorn Council, B.S.A.

**Our Purpose:** The purpose of the Longhorn Council Historical Society (LCHS) is to preserve the history of Longhorn Council. The members of LCHS will work cooperatively to preserve photographs, written material, oral histories, and other such records of the Longhorn Council. The LCHS will freely share this information with any interested parties of a non-commercial nature. Additionally, the LCHS shall encourage the saving of Longhorn Council historic items by others with the same cooperative spirit.

**How Can You Help:** If you have photographs, newspaper clippings/articles, Super 8 movies, slides, programs, Pacesetters, Chuckwagons, Eagle Eye's, Huacograms memorabilia or photocopies pertaining to the following subjects:

preserve them for the enjoyment of future generations of Scouts and Scouters in the Longhorn Council.

**Display Case:** An oak display case donated by Mr. and Mrs. Maurice Lambert in the hallway has been placed outside the Scout Shop in the Hurst Council office. The display case houses displays about the beginning of the council as well as other early Scouting items that are a part of the history of the Longhorn Council. These displays will be changed periodically to feature the many parts of the Council's history.

**LCHS Directors:** Please contact anyone of the following individuals for additional information, questions, or to donate items. We can also present programs and displays about the Council's history. Email the Society and refer the email to any of the individuals and we will see that you get a prompt response.
