1. Adult Background Checks

State law requires every adult camper to have a criminal background check and a sex offender background check. Texas Department of Public Safety provides a free sex offender background check as part of the Texas Sex Offender Registration Program.

Please go to the Sex Offender Registration Program on the Texas DPS records website and perform a check for each adult attending camp (18 and older). Go to this website and click on the link for Texas Public Sex Offender Registry

Attach a printout of each check to the Texas Adult Information Form and then send to the Camping Registrar at the Longhorn Council office. This covers the Texas requirement for sex offender background checks. The registrar will perform a separate criminal background check. For last minute reservations, please bring the completed form and checks to camp and turn in to the camp director.
