Unit Campaign Commitment

UNIT # _____

District _____

The Annual Friends of Scouting Campaign is essential to the health and advancement of the Longhorn Council. Each Unit's participation is critical, and deeply appreciated. We request your assistance by implementing an FOS campaign to support your Longhorn Council. The Friends of Scouting Campaign will be held during the month of February. However, a unit may choose to conduct the campaign earlier to take advantage of the FOS Incentive for the entire 2018 calendar year. The Goal Completion Certificate should be returned by the Unit prior to or on March 23rd. Incentives are effective from April 1, 2018 to March 30, 2019. Below indicate your planned FOS participation and the appropriate contact person. If a contact has not been selected at this time, please put the appropriate alternative: either the Committee Member or Committee Chair that communications should be coordinated with.

PLEASE TURN THIS IN TO YOUR DISTRICT PROFESSIONAL TEAM OR SEND TO KATHY MCLEAN
