Best Practices

- Recharter is often held up by a few individuals who are <u>slow to pay</u>.
- Give a deadline (*November 15th*) for payment and proceed with recharter with those who paid on time.
- If payment is not made, move on without them.
- Members who don't pay can submit a new paper application with fees before December 31st without losing their membership.

Best Practices Continued

 Alert all leaders that they must have a current Youth Protection Training (YPT certificate) on file. How To Guide

 Hit the "<u>Refresh</u>" button before submitting the recharter to ensure online registrations that occurred after you started are captured and included in the recharter process.

Best Practices Continued

 For those who will be a MULTIPLE on your charter, <u>identify the unit</u> where they are paying their fees.

Avoid Common Recharter Issues

- Missing or Expired Youth Protection Training
- Missing Signed Criminal Background Check Approval Form
- Missing Signatures (Applications, Background Checks)
- Missing Key 3 Approval
- Missing Adult Applications
- Money Incorrect
- Youth Turned 18 Needs Youth Protection Training, Criminal Background Check, and Application

Payment and Confirmation

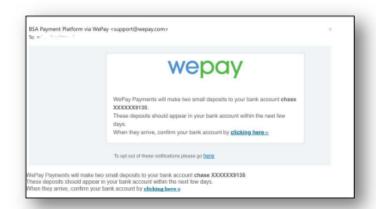

During this process you have the ability to verify all fees and choose your payment option. The payment option is ACH (\$1 fee), Credit Card (3% fee) and Pay at Council. If you pay at council, you will need to provide a form of payment to the local council in order to register your unit. Once you have chosen your payment option, click the Pay and Post Renewal button.

Note on ACH

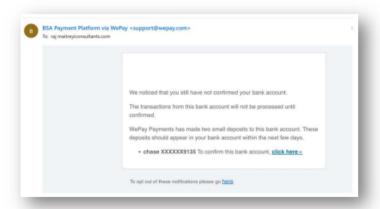

WePay, the payment processor, is the entity with whom ACH transactions occur. (BSA simply receives a confirmation or failure status for the transaction.) Your payment and charter will not be processed until your unit confirms their bank account.

To begin, you will receive an email after you select ACH and click "Pay and Post Renewal." If you did not receive an email, be sure to whitelist or add support@wepay.com to your SafeSenders list through your email provider. (Also, check the email inbox of the individual submitting the recharter as well as the key 3).

Click the tiny link at the bottom of the modal which appears and asks you to select your bank.

Once clicked, the bank routing and account number will need to be entered. Following this step, a series of microdeposits will be made to the account entered. An email will be sent from WePay to the email entered as the payor information every day for 30 days, which will ask the user to click to a form where they will need to confirm the microdeposit amounts.

Once confirmed, the microdeposits will be reverted and the transaction amount – the full recharter amount – will be immediately withdrawn, and payment will be complete.

If payment fails, common issues include

- Bank was not confirmed within 30 days
- Bank refused the payment request
- Incorrect bank account information was provided
- Incorrect transaction amount entered for payment
- Insufficient funds in the bank account

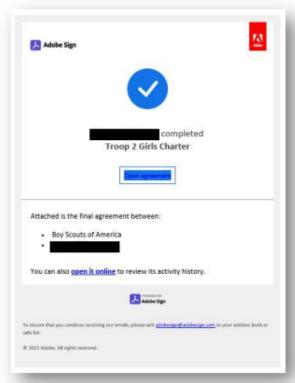

Signature and Approval

After paying and posting the renewal an Adobe Acrobat Sign document will be sent to your NEW Key 3 (as entered on the recharter) COR Delegate, and Key 3 Delegate. Any of these individuals may sign the document if approval has been discussed with the Charter Organization Representative. It is preferable that it be signed by the Charter Organization Representative. Be sure to save and/or print the recharter renewal prior and after submittal. **Once signed and payment has been completed, your recharter process will be complete for your unit.**
