Since 1910, Scouting has led the way as the premier youth-serving organization in the USA. Many organizations give young people a chance to practice and improve specific skills, but the BSA focuses on the bigger picture. By providing access to a wide variety of programs within a highly supportive setting, Scouting sparks a journey of self-discovery with lifelong benefits. Our Scouts develop and learn Growth Mindsets, Good Citizenship, Service to Others, Leadership & Teamwork, and an Appreciation for Nature.

The Longhorn Council proudly serves Central & North Texas youth in 23 counties. We work with thousands of volunteers and operate multiple camp facilities to provide once-in-a-lifetime opportunities for young people.
