Boy Scouts of America now recognizes and includes among its chartered partners a diverse group of faith traditions that have equally diverse views of the nature of God. Boy Scouts of America includes within its membership the Abrahamic religions, eastern monotheistic, polytheistic and nontheistic religions, all of whom view God or gods in different ways. Given the diverse faith traditions recognized by Boy Scouts of America, it is equally important for scouts and scouters to understand that there is no wrong answer to the question "How do you do your duty to God?"
