

*Celebrating Our Council's 100-Year Anniversary*

# COUNCIL CAMPOREE 2019

## Longhorn Council, BSA

Don't miss the fun and excitement of this special year's Council Camporee, which will be held **NOVEMBER 8-10** at Texas Motor Speedway. We're expecting the celebratory event to be the best attended camporee in the history of the Longhorn Council. Our program will be jam-packed with engaging activities, super shows, and awesome exhibits; so, register NOW to enjoy this most excellent adventure!

### REGISTRATION

**IMPORTANT NOTE:** To ensure proper leadership for the youth, registration must be on a UNIT basis rather than an individual basis. Register only those who are firmly committed to attending because the event will be held "rain or shine." NO refunds will be issued, except for *major* medical reasons. (Refund requests must be made in writing and submitted to the Camporee Chairman within two days of the close of the event.)

Everyone who attends the Camporee must register and pay the associated fees for the event. All attendees will be issued an appropriately colored wristband, *which must be worn at all times*. For safety reasons, unregistered people will not be permitted on the premises.

Tiger Cubs and Cub Scouts must camp in the Cub Scout area. Webelos den members may camp with the Cub Scouts or with a Boy Scout troop, *but only if prearranged by the host troop*. Girl troops may camp either in the girl troop-designated area or with their linked troop.

Visitors are welcome to attend Camporee; but they need to be hosted by a scout unit and included on its roster. They must also pay the required fees, follow Camporee policies, and conduct themselves in a manner consistent with BSA guidelines.

**BASIC CAMPOREE FEE:** Cost is based on age of participant and date of registration.

\$25.00	per person older than age 5, if received prior to OCT 15	Pre-registration by <b>OCTOBER 15</b> is urged to ensure adequate camping facilities and program supplies.
\$30.00	per person older than age 5, if received prior to OCT 31	
\$35.00	per person older than age 5, if received after NOV 01	
\$ 5.00	per person, age 2 – 5, if received prior to Oct 31	
\$10.00	per person, age 2 – 5, if received after NOV 01	

**ADDITIONAL FEES FOR OPTIONAL ITEMS:**

\$10.00	Camporee T-shirt, Adult sizes S – XL	Best ordered by <b>OCTOBER 15</b>
\$12.00	Camporee T-shirt, Adult sizes 2XL	
\$14.00	Camporee T-shirt, Adult sizes 3XL-4XL	

**PATCHES:** To ensure receiving a commemorative Camporee patch, a participant must be registered by September 15<sup>th</sup>. (Any surplus patches will be sold at the Trading Post.)

## ARRIVAL AND CHECK-IN

ALL vehicles are to enter at the speedway's main entrance on Labonte Lane, off Highway 114. (*Carpooling is strongly encouraged to reduce traffic congestion.*) Drivers will be directed to the appropriate parking area, from which passengers are to depart and walk to their campsites. Equipment vehicles can be taken to campsites but should be moved to the parking lot after unloading. One trailer can remain at the campsite.

Soon after arrival, **a representative of each unit should report to Headquarters** to submit a revised unit roster (if necessary), obtain wristbands and additional program materials; obtain the unit's pre-ordered t-shirts; and settle any outstanding fees.

## IMPORTANT NOTICE

RVs are strongly discouraged because no hookups or dumping stations are available at the speedway. RVs will NOT be permitted in the campsites. No pets or alcohol beverages are allowed.

## CAMPSITE COMPETITION

Each unit will select its own camping site. **Campsites will not be assigned.** Troops are encouraged to erect gateways and to display patrol flags at their campsite entrances. Commissioners will award participating units for having the best gateway and the best patrol flag. Winners will be announced at the Stage Show.

## STAGE SHOW TALENT ACTS

Scouts (ALL levels) can audition for the talent portion of the Stage Show with the top six acts performing Saturday night. Performances can be by individuals or groups and can be any type of "G-rated" entertainment. Each act is limited to three minutes. Audition times will be pre-arranged and announced at registration.

## FIRE / FUELS

NO GROUND FIRES ARE ALLOWED! Charcoal, propane, or liquid fuel stoves are permitted. Charcoal cooking requires a grill with a lid.

Review liquid fuel information in *The Guide to Safe Scouting*. Only adults are allowed to handle liquid fuels. All stoves and lanterns must be filled on the parking lot.

Whenever a fire is burning in a campsite, an adult must be present to oversee safety measures. Any fire that gets out of hand should be immediately and properly contained; and the incident, no matter how minor, must be reported to Camporee Headquarters.

## FOOD PREPARATION

Simple meals like one-pot or aluminum foil meals are suggested to minimize preparation and clean-up time and to conserve water.

## WATER

EACH UNIT SHOULD BRING SELF-SUFFICIENT AMOUNTS OF WATER (preferably in non-disposable containers) because the on-site water supply is not conveniently accessible at each campsite. Some water buffaloes will be situated in both the camping and the program areas; however, attendees should carry canteens, camel backs, or water bottles during the event since activities and campsites will be spread across several acres.

## GARBAGE

Please keep the Camporee grounds clean! Although limited trash receptacles will be situated throughout the program and headquarter areas, ALL UNITS ARE REQUIRED TO CARRY HOME GARBAGE FROM THEIR CAMPSITES. In addition, attendees are asked to pick up and properly dispose of any trash found on the Camporee grounds. [Remember, "A Scout is Clean."]

## LATRINES

Portable toilets will be on the site. A few flush toilets and showers will also be available.

## FIRST AID

A First Aid Station, staffed by qualified emergency medical response personnel, will be located near Headquarters. *All injuries must be reported to the First Aid Station.* If the injury involves a child, an adult must accompany that youth to and from the First Aid Station and, if necessary, the hospital.

A completed "Personal Health History and Parent Authorization" form is required for each camper. These health forms are to be kept on the premises by the unit and taken to the First Aid Station if treatment is needed. The medical information is required if local hospital or emergency services become necessary.

## TRADING POST

A Trading Post with Scout merchandise and Camporee collectibles will be open on Saturday.

## WORSHIP SERVICE

An inter-faith worship service will be held at 8:45 AM on Sunday. The collection from this service will be donated to the World Friendship Fund. Catholic Mass will be held Saturday night, following the Camporee Show.

## TARRANT AREA FOOD BANK

Do a Good Turn Daily! Bring non-perishable food items to the Council Camporee to donate to the Tarrant Area Food Bank. (Prizes will be awarded to the three units bringing the most items!)

A large number of people will be required to staff administrative and activity areas of Camporee. If you are interested in helping, please complete a Camporee Staff Volunteer Application Form and promptly return it to the Longhorn Council in Hurst. For more information, call John Park at 817-994-2536 (cell).

## PUSHMOBILE DERBY

WHEN: Saturday, November 9, 2019  
Check-in is 9:30 A.M.  
Races start at 10:00 A.M.

COST: This is a **FREE** event! *You provide the Pushmobile; we provide the race!*

### GENERAL INFORMATION:

The Pushmobile Derby is a race using cars built by a Scouts BSA Patrol or Cub Scout Den and their parents. This gives the Scouts and parents an opportunity to work on a project together, which is important in Scouting. The concept is for a group of six scouts to build and race the car.

The course is set up in 100-200 foot intervals with the six scouts paired up as 2-person pusher/driver teams. Two Scouts start, one is the pusher, and one is the driver. When they arrive at the "Change Point," they change places, the pusher becoming the driver and the driver ~~becoming the pusher~~. They will push to the next "Change Point," where two more scouts take over, swapping positions at their "Change Point" as the first pair did and so on.

Teams may consist of Scouts from one or more Packs or Troops. If you need assistance in forming a team, please let us know and we will try to assist you in teaming up with other Packs or Troops.

### RULES:

1. Car wheels must not be over 15 inches in diameter, no spoked wheels.
2. Car must have a minimum of four wheels, and four wheels must be touching the ground.
3. Car **MUST** have a brake accessible for use by the driver.
4. A **seat belt must be utilized** by the driver.
5. All drivers **MUST WEAR PROTECTIVE HEAD GEAR**, such as a football helmet or bike helmet. Elbow pads are recommended but not required.
6. Car may **NOT** be used by more than one team.
7. Scouts will race in heats by Rank level. If ranks are combined to form a team, the team races with the highest rank on the team.
8. All participants in the youth categories must be registered Cub or from a Scouts BSA Troop.
9. Teams must have a minimum of two team members and a maximum of six team members.
10. A car number will be given at registration. **DO NOT** paint a number on the car.
11. At the change overs, the change must be completed before leaving the Change Point.
12. At the turn-around line, the car must have all wheels cross the line.
13. Cars may be made by any design but remember the above rules.
14. Youth teams may consist of scouts from more than one Pack or Troop!
15. Each team must have at least one adult present.
16. Registration deadline is Friday, November 4th and should be turned into the Council office or sent to Debbie Kerrigan
