Join us for the 22nd Annual Cub Scout Orienteering Event at Sid Richardson Scout Ranch!

Cub-O is an orienteering event designed for everyone to enjoy: dens that compete hard, dens that want an easy hike in the woods, and dens that want to teach their boys more about problem solving and map reading. All Tigers, Cub Scouts, Webelos, leaders, and parents are invited. Separate awards for each age group. CUB-O is the most popular Orienteering event in the USA! Over 1000 Cub Scouts, leaders, and parents participated in CUB-O every year since 1999!

It's fast, exciting, and FUN. And it's all Cub Scouts. The locations of 40-50 orange and white orienteering flags are marked on the map and you and your team will go hiking in the woods to find them – or most of them! Each flag has a hole punch that you use to mark your scorecard. Flags are worth 5, 10, 15, 20, or 30 points, depending on how hard they are to find. Your Den team will get a Cub-O competition map 20 minutes before the race starts. Then you plan a hiking strategy to find the most flags and score the most points in just 2.5 hours! You'll stay warm 'cause you'll stay moving!

Cub-O is a team event for teams (Dens) of 3-6 Cub Scouts plus at least 2 adults. **Each team must have at least two adults registered for Cub-O.** Be sure to dress warmly in

layers and bring lots of water! Bring a compass and a watch so you'll finish on time. All registered participants will get a Cub-O patch, our latest 5-color competition map, lunch and a great day of orienteering. **Maximum team size is 8 people.**

Additional attendees (attending, assisting, or camping, but not competing) can pay \$6 for lunch and liability insurance only but must register and be prepaid. Registrations must be received by 5:00 PM Wednesday, January 2nd to be on time.

Cub-O T-shirts are \$12.00 and may be pre-ordered.

Scores will be announced Saturday evening. This is a rain or shine event. Information on postponements for ice/snow will be posted immediately at: www.longhorncouncil.org.

CAMPFIRES: campfires are allowed unless the county issues a fire ban. Fires must be built only in existing fire rings, must be attended at all times, and must be completely extinguished before the adults leave the campsite or go to bed. **There is no time limit on campfires as long as they are attended.**
