

Learning to fly a Spaceship in our Starship Bridge room.

We even do science experiments in the pool at swim time!

About the Longhorn Activity Center

The LAC serves families and the community on north Fort Worth and the surrounding area. LAC brings STEM-related enrichment programs to schools, youth organizations and the community.

Our STEM Camp programs are available to girls and boys ages 5-12. We also offer Swim lessons, Family Pool Passes, pool party rentals, birthday parties, STEM parties, Summer STEM Day Camp, a Starship Bridge space flight simulator, reptile shows, a Dino Dig with a 32 foot Allosaurus skeleton, meeting rooms, and much more!

Spring STEM Adventure Camp at the Longhorn Activity Center

Building a robot!

Sometimes Science boils over in the Blue Room!

Bringing Geology and Paleontology to life!
