

FRIENDS OF SCOUTING

Unit Campaign Commitment - 2020

Unit Type (Troop/Pack) and # _____

District _____

The Annual Friends of Scouting Campaign is essential to the health and advancement of the Longhorn Council. Each Unit's participation is critical, and deeply appreciated.

The Boy Scouts of America has earned the reputation over the years of being one of the premier charitable organizations in the traditional annual giving campaign arena. The annual enrollment campaign called "Friends of Scouting" or "FOS" has evolved from the successful experience of local councils. Friends of Scouting has become one of the largest sources of income for our council. The Friends of Scouting campaign is responsible for 20% of our 2020 Operating Budget, which is projected to be \$6,834,000.

Unit goals were established based on the number of registered Scouts in the Unit as of June 2019, times \$8 per month or \$96 for the year. The council looks to provide \$5,467,200, (\$27 per month per registered Scout or \$324 for the year) from our Community and special events along with business and private donors to support each Scout in our program.
