

2nd DRAFT Scouts BSA & Venturing Programs & Activities 2020-2021

Dates are Tentative and Some May Change as the Pandemic Changes

ALL events will be done outside and have been redesigned to follow Covid-19 protocols!

The Longhorn Council cares deeply about the health and safety of all Scouts and their families. Our 2020-2021 weekend events have been redesigned to incorporate the latest CDC, State, and BSA guidelines and make them as safe as possible during the covid-19 pandemic. The updated event plans make it possible for Scouts, adults, and families to have fun in the outdoors while safely following current social distancing and hygiene protocols.

All events have new procedures for cleaning, sanitizing, hygiene, mask wearing, and social distancing to avoid crowds and to keep our Scouts outside where it is much safer than indoors. Here are some examples (note that a complete list of new safety protocols for each event will be published soon):

- Camping at events will be limited to one unit per campsite.
- Events are redesigned to make it easier to do them as a Day Trip.
- Canoe Races** have been redesigned to stagger start times by unit across the morning, to use only pre-packaged items in race lunches, and to avoid crowds by cancelling the spaghetti supper.
- Score-O** has been redesigned to have all day staggered start times by individual units throughout the morning and early afternoon turning one big start into hundreds of small team starts. The markers will be using codes this year, rather than hole punches (so teams won't have to touch them).
- Spring-O** has also been redesigned like **Score-O** to avoid crowds.
- Any meals at events will be catered from the dining halls by appointment to avoid gathering even small crowds.
- For groups that are camping, each campsite will be issued cleaning and sanitizing gear for campsite bathrooms and showers.
- Public restrooms and portajons will be regularly sanitized.
- Masks are required.
- All events with frequently touched items have been redesigned for cleaning and sanitizing of those items between uses.

Events are open to Troops from any Council or District. Event calendars, schedules, training information, news, and maps of camps are at www.longhorncouncil.org. For more info: camping@longhorn.org.
